### FOREWORD

This parts list contains all the spare parts for the CB350F model and is to be used when ordering spare parts.

On placing your spare parts order, please inform us the frame number for frame component parts and the engine number for engine component parts together with your order.

The reason for this is that it is necessary to verify that the parts ordered are applicable to the model series intended.

No supplement to this Parts List will be issued. In case of any change to its content, no notification or supplement will be issued for this Parts List. However, a revised edition of this Parts List will be issued to maintain it up-to-date. The revised edition can be identified by the revision No. on the cover. To check on the latest Parts List revision, please contact your nearest distributor.
