PARTS LIST

FOR

HONDA

CB750 • CB750K1 • CB750P

FOREWORD

This parts list contains all the spare parts for the CB750, CB750K1, and CB750P models and is to be used for ordering spare parts.

The frame number must be forwarded together with any parts order. The reason for this is that it is necessary to verify that the parts being ordered are applicable to the model series intended.

No supplement to this parts list will be issued. In case of any change to its content, no notification or supplement will be issued for this parts list. However, a revised edition of this parts list will be issued to maintain it up-to-date. The revised edition can be identified by the revision No. on the cover. To check on the latest parts list revision, please contact your nearest distributor.
